An active volunteer at “Academy for Active Youth”

Proud to Be a Volunteer

What motivates me to volunteer?

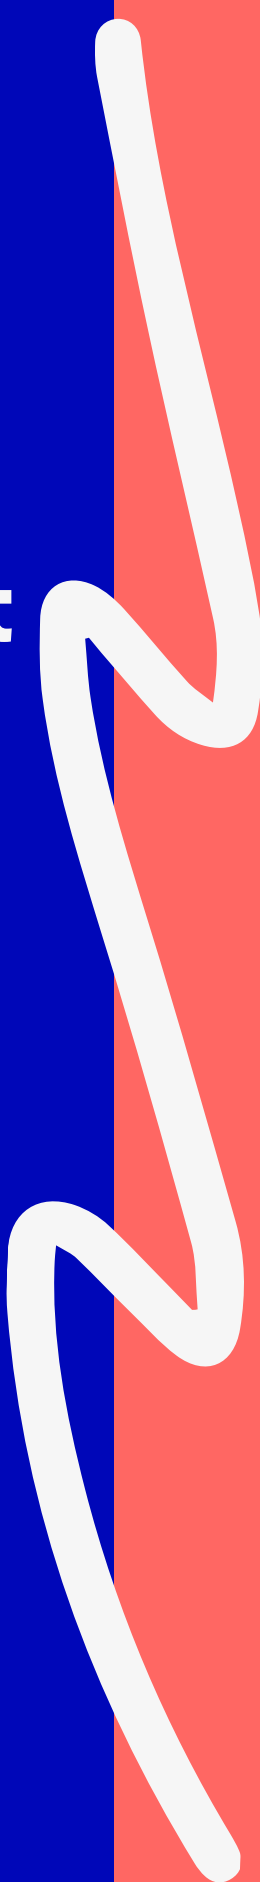

Hello! My name is Rumen, and I am proud to be a member of the Roma community and a dedicated volunteer at “Academy for Active Youth”. My journey with the organization has been incredibly inspiring and empowering, allowing me to connect with my roots while also making a meaningful impact.

Making a Difference in My Community

How did this project change
my perspective?

One of the most significant moments in my volunteering experience was participating in a recent program focused on working with the Roma community. This project gave me the chance to not only represent my culture but also to actively contribute to raising awareness and fostering understanding between communities. My dedication during this program was recognized by the organization, and I was honored to receive a tablet as a token of appreciation for my efforts.

A Platform for Growth and Change

What have I
learned and
what's next?

Being part of this organization has given me a platform to grow personally and professionally. It has helped me realize the power of collaboration and the change that comes from mutual respect and understanding. I am excited to continue volunteering, creating new opportunities for my community, and showing others the strength and potential of the Roma people.
